

Mary Glenn: Build Relationships with Police in Your Neighborhood and City: CCDA 2009 Audio

Imagine a world where families, youth workers and ministries partner with police officers to mentor students, helping them find God's hope—a world where Christians care for law enforcement as they protect our urban streets (as the Apostle Paul impacted his jailers in Acts 16). This workshop offers ways to pursue reconciliation and collaboration with police, provides understanding to law enforcement, and discusses police chaplaincy.
